Only the checked specialties is what your firm is pre-qualified to do

The expiration date of your prequalification is **July 31, 2022**.

Prequalification must be renewed annually. **You must file a new application 17 days prior to your expiration date to remain current. It is the contractor's sole responsibility to obtain and file the necessary forms each year prior to expiration.** As a prequalified consultant, your firm is eligible to propose on CDOT professional consultant service selections. When CDOT determines the need for consultant services, a **Solicitation for Professional Consultant Services** is published in the Thursday edition (Legal Notice Section) of The Daily Journal. Details for the submittal of a **proposal** are contained in the advertisement.

All advertisements are posted on our website, <https://www.codot.gov/business/consultants>

Feel free to contact me at (303) 757-9215 with any questions regarding your prequalification. Thank you for your application and your interest in providing professional services for the CDOT projects.

Sincerely,

*Darrell Wells*
